Dear Supporter,

Greetings from Ambergris Caye Elementary School (ACES). ACES is a small private school. We have small classes from 1st to 8th grade with a 1:15 teacher ratio. We support inclusion and accommodate diverse learners with visuals and manipulatives for all students. We are not government-aided in any form, and one of our yearly goals is collecting basic needs and school supplies to assist students. Below is a supply list to assist the school with any of the items.

Please note that you can bring these items in small amounts. If you need a customs duty-free letter, the Minister of Finance issues it only two months after you apply. For further information regarding our school, please feel free to contact us via email at officeadmins@aces.edu.bz

Thank you for your generosity

Amanda Burgos, principal & Estephany Pott, vice-principal
